conditions of

TIR Date

Continuous Service Conditions

A period of less than 12 months in which a member was not a participating member of a Naval Reserve unit.

TIR date remains the same

Broken Service Conditions

A period of 12 months or more passes before the member affiliates, enlists, or reenlists in a Naval Reserve unit.

TIR date becomes the date of affiliation

TIR

- **Non-Prior Service (NPS)**
 - TIR date is the date of affiliation/re-affiliation with a Naval Reserve unit.
- **Sea and Air Mariner (SAM)**
 - TIR for advancement eligibility begins when the member reports to Initial Active Duty for Training (IADT)

Acronyms (cont.)

- **Date of Rate**
 - Member receives pay
- **Terminal Eligibility Date (TED)**
 - The date in which all requirements are met

Acronyms (cont.)

- **Limiting Date**
 - The last day of the last month of an advancement cycle.
 - All advancements for the cycle must be made by the limiting date.
 - Due to administrative errors the CO may request advancement authorization from Naval Personnel Command

Exam Participation Requirement

- Required service schools
- Minimum TIR requirements
- Leadership training course
- Maintain satisfactory participation
- CO's recommendation
